DESIGN EXPERIENCE

Igloo Software / Visual Designer

April 2023 - present | Remote - Kitchener-Waterloo, Ontario

Led visual strategy and implementation for 22 Igloo Classic to Flex digital workplace migrations, translating enterprise brand guidelines into custom CSS themes that modernized legacy environments while preserving brand integrity. Accelerated delivery by 20% by streamlining theme implementation and reusable design processes. Built trust with customers through expert brand consultation, and mentored Solutions Consultants with SOPs and templates to improve customer workshoping sessions.

Euna Solutions / Graphic Designer & Developer

April 2022 - Jan 2024 | Remote - Oakville, Ontario

Championed cross-channel design initiatives, streamlining processes for a 15% team efficiency boost. Increased campaign engagement through strategic design decisions and collaboration. Supported Euna's rebrand with art direction, website design, and branded collateral. Collaborated with program managers to exceed marketing KPIs, enhancing user and brand experience with standardized design templates.

Canadian Science Publishing / Graphic Designer

June 2020 - April 2022 | Remote - Ottawa, Ontario

Directed branding and design initiatives for over 20 scientific journals. Orchestrated an annual scientific photo contest, and crafted marketing collateral and campaign creative to support the marketing team's efforts. Mentored colleagues through personalized one-on-one training and support in Adobe programs. Collaborated with SPEs and SMEs to understand their design needs for each journal.

Canopy Growth Corporation / Production Designer

November 2019 - May 2020 | Kanata, Ontario

Consistently delivered top-tier work under tight deadlines in a fast-paced environment. Enhanced team and studio efficiency by introducing standardized processes and tools. Demonstrated unwavering attention to detail during rush preflighting of digital and print material. Successfully minimized outsourcing costs by executing in-house product photography and retouching for e-commerce web use.

Coyle Media Group / Lead Graphic Designer

September 2018 - September 2019 | Stittsville, Ontario

Spearheaded the in-house production of magazines, surpassing company expectations and reducing annual labor costs by over 25%. Optimized magazine production by introducing a new design process, resulting in a three-week reduction in overall project timelines. Went beyond expectations by mentoring team members and fostering productive brainstorm sessions.

DESIGN EXPERIENCE (cont.)

MasterpieceVR / Lead UX Designer

June 2018 - September 2018 | Nepean, Ontario

Enhanced the startup's product by designing an efficient and user-friendly virtual reality annotation method. Fostered teamwork and collaboration through the implementation of daily scrum meetings, boosting team morale. Demonstrated organizational skills and effective problem-solving when addressing challenges.

Algonquin College / Teacher Assistant, Web Development

Jan 2017 - May 2017 | Nepean, Ontario

Worked directly with students during coding activities and projects. Ran a weekly study session for first year students.

dominKnow Learning Systems / Graphic Design & Multimedia Authoring Intern

Jun 2016 - Sep 2016 | Kanata, Ontario

Designed digital assets and e-learning templates, authoring and testing multimedia content. Collaborated in a Scrum environment to ensure timely delivery and visually engaging, user-friendly learning experiences.

Enlightened Images Photography / Assistant Photographer

Jun 2013 - Jan 2015 | Barrie, Ontario

Designed digital assets and e-learning templates, authoring and testing multimedia content. Collaborated in a Scrum environment to ensure timely delivery and visually engaging, user-friendly learning experiences.

FREELANCE

Canadian Cardiovascular Society / Freelance Designer, Brand

Feb 2026 - Present | Remote

Partner with this not-for-profit to develop and implement a new visual identity for their charitable arm, Canadian Cardiovascular Foundation. Produce brand guidelines, templates, marketing collateral, and reports that support consistent, mission-driven messaging.

Half Halt Illustrations / Digital Artist

Feb 2020 - Present | Remote

Creating digital art using Adobe Illustrator and Procreate, serving the local Ottawa and national Canadian equestrian communities.
